Your tax deductible donation goes directly to the costly production of our 2019-2020 Theatre line-up. We are 100% self-funded and rely completely on your generosity. You might be wondering, what could be so expensive? Well, to start, we pay thousands of dollars just to get permission to rent each show and thousands more to rent music. We have 30+ cast members to costume, lots of awe-amazing sets, props, and so much more. It all adds up. Our outstanding students are taking difficult classes, rehearsing endless hours, many also holding jobs, and we try to not burden them with multiple fundraising activities throughout the year. We hope that, through your generosity, we can raise funds needed and put a huge dent in our expenditures for this semester. We have a wonderful 2019-2020 line-up that promises to be entertaining for all. We can't wait to see you at our Theatre!

Thank you in advance for your contribution.
